PRINCIPALS AND VICE-PRINCIPALS

Two previous bibliographies on principals and vice-principals have been published by CTF: No. 32 (February 1973) and No. 51 (March 1975). This bibliography lists materials on the topic published since March 1975.

Sources consulted in preparing this bibliography include the British Education Index (The Library Association), Canadian Books in Print (Univ. of Toronto), the Canadian Education Index (CEA), the Current Index to Journals in Education (CCM), the Directory of Education Studies in Canada (CEA), Educational Administration Abstracts (Univ. Council for Ed. Admin.), Onteris (Ont. Ministry of Ed.), Resources in Education (ERIC), and the Subject Guide to Books in Print (Bowker).

Abstracts of material with an ED number may be found in Resources in Education. If marked "Available ERIC", hard copy or microfiche copies may be purchased through the Education Document Reproduction Service of the ERIC system.

Material held in the CTF Library is marked with a single asterisk. The Library is also purchasing microfiche copies of the ERIC documents available. A double asterisk appears beside these titles, indicating the material is available on loan in microform only.

This bibliography was prepared by Margaret Dohan in the George G. Croskery Memorial Library.
